Dr. J. P. BRIDGE, BECKETARY GRASTERREES Co. -Sir : Por many years a most valued female friend of mine suffered from general prostration, arising in the first place from simple monthly irregularities; neglected, these were succeeded by Whites, next by Falling of the Womb, severe pains, both local and general process. eral, and all the long train of symptoms so fully described by you in your pamphiets and advertisements, but which are unrinnately too well known to the great majority of lailes in Marshell's Uterine Catholicon, and submitted her symptoms to you. That she is allve and quite well now is due, under Heaven, to your Catholicon. It was entirely successful. Since then, she to your Catholicon. It was many of her friends to use it, has felt it to be a duty to advise many of her friends to use it, and a ways with entire success. It may fall in some severe cases perhaps, but we have not known it to, and we have had some that the best physicians pronounced nourable.

GEORGE S. FARRAR.

The Graefenberg Marshall's Uterine Catholicon has helped my wife and daughter very much indeed. The pills are most excel-lent, as, in fact, are all the medicines. My wife was afflicted for eight years with female weatness, nervous affections, dis and hidneys, difficulty in passing water, dyspepsia and trouble in the stomach and bowels, variable appetite, names, trritability and fretfulness, palpitation of the heart, chill and flushes of heat, great anxiety, pain in the shoulders, arms and legs, pain commencing in the right side and running down the spine, and disciness. I have called the attention of my friends to your remedies in all cases as the most valuable that can be used.

Rev. ISRAEL KNAPP, Wirt, New-York.

I have been called upon by many of my female frie very valuable Graefenberg Marshall's Uterfue Catholloon, and shall use every honorable effort to extend its use. J. SIDES, M. D., Color, Michigan

I know the Graefenberg Medicines to be good, and can confi dently recommend them. C. C. WELLS, Bardstown, Ky

THOMAS H. MILES, M. D., Mt. Carmel, Va. I find the Uterine Catholicon of The Graefenberg Company decidedly beneficial to all my female patients.

EDW. PERRY, M. D., Pespack, N. J.

I certainly regard the Graefenberg Marshall's Uterine Catbell's

I took the Catholicon for three months, and I now have a fine, healthy child, and am as well as ever I was. I have always recommended it, and know it to have been the Providential means of saving mine and

Dr. J. F. Baipon-Sir : Your Graefenberg Marshall's Userine Catholicon is working wonders to many cases considered hopeless for years, and which have been under the best medicay treatment. The most skeptical acknowledge its power. Tany

Their Uterine Catholicon should be in the hands of every woman, whether she has tried all other doctors or not; even if she considers her case hopeless. It is a wonderful

Naw-York, February, 1859. Dr. J. F. BRIDGE - Dear Sir -- Some two years ago an intimate fermie friend had been suffering from failing of the womb, whilese and deranged menstreation, together with the attending symp-toms so clearly described in your advertisements and pamphlets. She had the very best medical skill in this city until entirely prostrated, and her physician finally told ner that he thought her life might pessibly be prolonged a very little longer under the most judicious treatment.
